Lista Keeps Your Laboratory At Peak Efficiency

From R&D to testing, in wet and dry labs, Lista workspace systems bring maximum efficiency and organization to your operation. With our comprehensive range of workspace solutions, and our modular building block approach, Lista can address the unique needs of your facility – whether you require productivity enhancing workbenches, high density modular drawer storage cabinets, or convenient storage in overhead cabinets. With our custom design capabilities, Lista can produce workstations that exactly match a lab's unique application requirements, as well as a company's aesthetic needs.

No Matter What Your Facility's Size or Shape, Lista Has the Perfect Solution

If your laboratory wants to operate at peak efficiency, you need to be sure your workspace works for you. Lista's wide range of modular storage and workspace solutions:

- Enhance productivity.
- Protect expensive instruments, tools, parts, and components.
- Are ergonomically designed to reduce stress and strain.
- Maximize available space.
- Provide more clean, organized and secure storage.
- Complement the aesthetic characteristics of your facility.

Free Custom Design from Lista

Lista's engineering and design team is ready to provide you with a detailed plan for your individual workspace and storage needs, free of charge. We offer solutions that are designed for maximum efficiency and future flexibility, optimizing space and profitability.

- **Floorspace utilization analysis.** We can prepare plan and elevation CAD drawings for a grouping of products, or entire room-sized solutions.
- **Customized surveys and layouts.** Lista experts will survey your current and future storage and workspace needs, and propose solutions that provide the highest density and greatest productivity.
- **Integration with architectural and construction planning.** Rely on our experience with coordinating with architectural and construction professionals at any stage of a project's development.
- **Price quotes.** We are happy to provide free estimates and price quotes for any project, regardless of size.
